Sheriff Confiscates Two Slot Machines

Alfred Olson today faced charges of possessing slot machines as the result of a raid by Sheriff James J. McGrath and Deputy Hugh Williams at Olson's Cafe in Montara Sunday. The sheriff confiscated two slot machines, and a complaint against Olson was to be drafted by the district attorney's office today.

Did We Make a Mistake?

(The first of a series of advertisements the main purpose of which is to clear the name of Ernest A. Rolison of the unfair and unscrupulous attacks made on his character.)

Have we been unjust to ourselves, our county and to a faithful public servant?

In justice to themselves, the time has come for the people to answer this question.

How would you feel if your husband, your father, your brother or your son, for purely sinister political purposes had been grossly maligned, lied about and his character assailed, to the end that his business and social career might be ruined.

Ernest A. Rolison has been defeated for County Executive by a well managed campaign of defamation of personal character. He has been crucified by a political element long existent in San Mateo County. His defeat is the County's loss.

It is a satisfaction to know that the truth will develop in the Courts. Follow the course of the forthcoming trial of the libel suit filed by Mr. Rolison with the County Clerk. Go to the Court Room and listen with an unbiased mind. People want the truth—not slander. THEY WILL GET THE TRUTH, UNDER OATH.

WHAT HE DID

Did Ernest A. Rolison deserve defeat?

This year he cut County Controller E. M. Stack's estimate of County expenses, by $126,375. There are 19 major items under control of the County Executive and the Supervisors, in the Controller's Preliminary Budget Summary. MR. ROLISON CHANGED EIGHT OF THESE AND REDUCED COSTS. Is this an offense against the people?

Certain mercantile elements in San Mateo County opposed him because he installed a money-saving system in the purchase of County supplies. He insisted on competitive bidding and he played no favorites. County orders were not given out to put more money into somebody's pocket, nor for purely political purposes. Is this an offense against the people?

He introduced modern machinery to aid in bringing order out of the much involved system of county accounting. This is business and nothing else. Is there a newspaper in the county that will abandon the use of its linotype machines, modern presses, adding machines and typewriters?

"GHOST" CIRCULAR

The final explosion of the anti-Rolison campaign came from a "ghost" organization, in a circular signed by a single individual whose identity is difficult to determine. As far as can be learned this "ghost" organization seems to have raised enough money to send the circular to most voters.

Here are specimens from that circular:

"The present tax rate is 41 cents higher than the year before, and 41 cents raises nearly half a million dollars."—**Not True.** The rate this year is slightly lower than last year, and so the "half a million dollars" disappears, as far as the County Budget is concerned.

A second quotation from the "ghost" circular.

"Now we are told that it" (the tax rate) "is to be raised another 10 cents. This will raise another $100,000."—**Not True.** The "ghost" seems to have adopted Controller E. M. Stack's Preliminary Summary as gospel truth—and Ernest A. Rolison slashed the Controller's estimate by $126,375.

Why go further with analyzing this "ghost" circular. The above quotations are but specimens of what has been circulated in this campaign, both in print and orally.

Go to the Court House in Redwood City and learn the facts yourself. Any voter can learn whether that circular is reliable. Take no man's word for it, but investigate yourself.

More Candidates Submit Expenses

Campaign receipts and expenditures in the recent primary election totalled $2783 for 12 candidates whose affidavits were on file with County Clerk W. H. Augustus Monday. Dr. J. C. McGovern, defeated in his contest for the office of coroner and public administrator, led the list with a total of $500.

Others listing campaign expenses were:

Albert H. Sagehorn, treasurer, $455.83; William Crosby, coroner-public administrator, $350; W. H. Clay, justice of the peace, first township, $329; W. J. O'Farrell, justice of the peace, fifth township, $261.60; Thomas Kane, controller, $221.15; Manuel Francis, justice of the peace, fourth township, $139.50; Bush Finnell, superior court judge, $155.55; Ambrose McSweeney, tax collector, $80.50; Allan H. Ward, supervisor, fifth district, $162.65; Pansy Jewett Abbott, superintendent of schools, $35; Gilbert D. Ferrell, district attorney, $96.80.

HEIGH-HO! IT'S A RAID!

Geraldine Spreckels Sings Popular Song For Sombreroed Sheriff's Men

Glamorous Geraldine Spreckels had just sipped a causis and brandy, admired a $25 orchid which snuggled closely to her evening frock, and admitted this business of being a torch singer in a Peninsula night spot was "slightly fatiguing" when—

Into the palatial Casa Manana early Sunday morning trudged a file of short, sombreroed men.

"Why, they look for all the world like the Seven Dwarfs!" said the starry-eyed Geraldine. "Maybe they're Boy Scouts."

LEADER EXPLAINS

But before the 500 socialite guests present at the swank night club located on El Camino Real near Mountain View could chant "Heigh-ho! Heigh-ho!" the marching men's leader cleared up the situation.

"Don't be frightened, Miss Spreckels," he said mildly, "we're from Sheriff George Lyle's office and this is a raid!"

Wending their way politely through a dance floor crowded by socially prominent patrons, many of them in full dress and evening gowns, the raiders crashed their way into a gambling room where they confiscated equipment including a roulette wheel, a dice table and a blackjack table. With $82 in cash left on the tables was an IOU for $50.

SONG SOOTHES GUESTS

"So this is a raid!" said Miss Spreckels, who had been joined at her table by "Pinky" Tomlin, radio and screen star, conductor of the Casa Manana orchestra. "I thought raids were exciting. This is pretty tame. He is so-o-o nice."

She was referring to Undersheriff Harry Schumann, in charge of Lyle's raiding forces, who at the moment was attempting to keep the sombrero Stetson atop his head while lugging a heavy slot machine to a waiting truck.

By way of changing the subject, the socialite singer thought it would be appropriate to give the crowd her version of "Otchi Tchornia" but Tomlin held out for "A-tisket, A-tasket" to sooth any feelings which might have been ruffled by the disturbance of the law and order forces.

OWNER MISSING

So the show continued and the officers left for San Jose having fruitlessly searched high and low for the owner-manager of Casa Manana which has been leased from Frank ("Dingo") Mendoza, owner of the Clover Club, one mile to the north on El Camino Real. The officers found some solace, however, in the companionship of Frank Kramer, 37, and Robert Burns, 46,

Two Counties Give Support

Reconstruction of the Pope St. bridge, linking North Palo Alto and Palo Alto was virtually assured today following the passage of a $4500 appropriation this week by the Palo Alto City Council.

San Mateo County's board of supervisors have already earmarked $5000 as this county's share of the construction project and Santa Clara County has appropriated $3500.

Replacing the present 16-foot span, built more than a quarter century ago, will be a 44-foot culvert type bridge.

The Palo Alto City Council also approved use of $78,000 of the city's gas tax revenue for a subway under the Southern Pacific Railroad tracks at University Ave. and El Camino Real at the entrance to Stanford University. Assisted by PWA funds, the project will cost $150,000.

The underpass was approved on the urgent recommendation of Col. John H. Skeggs, district state highway engineer, who pointed out that state gasoline tax funds were being used for repair of state highways damaged by last winter's floods and that the city, which has $67,500 gas tax funds in prospect, would be assisted by the state in securing final approval of PWA.

San Mateo County will submit the application for the balance of approximately $12,000 needed in federal funds to build the Pope St. bridge.

Supervisor James S. James urged the Palo Alto council to co-operate in replacing the bridge, saying that the improvement would not be held up even if Santa Clara County does not feel that it will be especially benefited.

Favorable action on the project was advocated by Joseph Donovan, secretary-manager of the Palo Alto Chamber of Commerce.

Wienies Make Tasty Repast

Out of the sunshine plant of the Miller Packing Company come the branded wienies, both skinless and regular, together with intriguing cold meat loaves from which handsome platters of foods may be assembled for a swiftly prepared meal.

Miller wienies need only heating—not cooking—so watch this point when you prepare them, and you will lose not a speck of their goodness or fine flavor.

Should you elect to prepare the wienies some other fashion, either of these may meet with your approbation:

POTATOES, FRANKFURTERS

1 quart sliced potatoes.
4 tablespoons butter.
3 tablespoons Sperry's Drifted Snow Home Perfected Flour.
2 tablespoons onion, minced.
Salt and Schilling pepper.
3 cups Borden's Dairy Delivery milk.
6 skinless Miller's wienies.

Place half the potatoes in a buttered baking dish; cover with half the butter, cut into small pieces. Sprinkle with half the flour, onion and seasonings. Repeat. Add milk and cover. Bake in a moderate oven (350 degrees) for one hour. Uncover, place wienies over the top and continue cooking for half an hour.

TOMATOES WITH WIENIES

6 ripe, firm tomatoes.
½ cup chopped green pepper.
½ cup minced onion.
Salt and Schilling pepper.
Butter
Miller's skinless wienies.

Wipe and cut in halves ripe tomatoes. Mix green pepper and onion and cover each tomato half with a layer of the vegetable. Season with salt and pepper and dot with butter. Place in a baking dish, surrounded with wienies and bake in a hot oven (450 degrees) for about 20 minutes.

Belle Monti Group Would Acquire Club

A movement is underway to take over the Belle Monti Country Club and golf course by the Belle Monti Improvement Association, it was learned today. The plan was discussed at a recent meeting of the association. It is understood $100,000 is asked for the 40 acres and clubhouse. Directors believe that community ownership of the property would furnish Belmont with an ideal recreation center.

F. N. Almstead chairman of mail service, reported that rural mail service for Belle Monti was only a few weeks away.

Check Passer Held To Superior Court

Keith Anderson, 25, 2111 Roosevelt Ave., Burlingame, today was held to answer before the superior court on charges of forgery and issuing ficticious checks.

He was given a preliminary hearing before Judge R. L. Stone of Burlingame yesterday and returned to the county jail in Redwood City in lieu of $500 bail. Anderson, according to the district attorney's office, admitted passing five checks on Burlingame and San Mateo merchants for a total of $35.

MENLO PARK NEWS

James Farraher, a well-known San Francisco attorney connected with the office of Theodore Roche, visited his sister, Mrs. Casson, here Sunday. His father, the late James Farraher, also an attorney, was a classmate of D. E. O'Keefe and James T. O'Keefe at St. Mary's College many years ago. They are the only living members of that class.

An old barn on the Maloney property adjoining Holy Cross Cemetery was destroyed by fire last Monday. The structure was a relic of the past, an old land mark. It is said the padres of Santa Clara often rested there on their way to St. Dennis Church near the Sand Hill Rd. to celebrate mass. It was the first Catholic Church erected on the Peninsula and served people of Mayfield, Searsville and Redwood City. The edifice was consecrated in 1856 by Archbishop Alamany.

St. Joseph's Parochial School opened Monday with an increased registration. There are no changes in the faculty. The school is one of the most successful primary institutions on the Peninsula.

St. Patrick's Seminary opened for the Fall term this week with a large attendance. The freshman class is the largest in the seminary's history.

Frances Feeley is recovering from his severe illness of a few days ago. Since his two blood transfusions last week he has steadily improved and, like Richard of old, will soon be himself again.

The fire department was called Monday to put out a small blaze at the home of John Beltramo, Glenwood Ave. An out house was destroyed. The loss was about $200. The adjoining buildings were saved by the timely arrival of the firemen, who, under Chief Elmer F. Hara, soon had the blaze under control. Mr. Beltramo is a large property holder and one of the best known and best beloved men in the community.

James Needham and three friends brought a five-point buck to town last Saturday. The deer was shot in Lake County. A number of Menlo Park residents had venison stew on their menus Sunday, while others again enjoyed steaks.

Last Saturday morning at a nupual mass in Santa Barbara Mission John Maloney, formerly of Menlo Park, was united in marriage to Miss Marion Comer of Los Angeles. Mr. Maloney was attended by Carl Hubenthal, and Mrs. Mort Zigler attended the bride, who was dressed in a traveling suit of blue, with fox collar. With it she wore grape accessories and orchids. Mrs. Zigler wore a blue sheer with white accessories and a corsage of gardenias.

The wedding breakfast was served at the Hotel Mar Monte on the beach at Santa Barbara for 35 friends and relatives of the happy couple. They left immediately on a wedding trip to Philadelphia to visit the bride's family. On their return they will reside in Beverly Hills.

Mr. Maloney was born in Menlo Park and was graduated from St. Joseph's School there and from Sequoia High School in Redwood City. He studied art at San Jose State College and at a San Francisco art school. The bride is a graduate of the University of Pennsylvania.

Mr. Maloney is editorial artist and cartoonist on the Los Angeles Herald and Express.

Mrs. Frances Maloney, his mother, and Mrs. William Hawkins, his sister, went south for the wedding.

War Veterans Indorse Bonds

Redwood City Post 105, American Legion, this week gave indorsement to both pending municipal bond issues, which would provide the city with a new library and an addition to the city hall, Duncan Reynard, chamber of commerce president, reported.

Reynard appeared at the open meeting of the group and urged the adoption of the complete plan. Previously the Legion had indorsed the library bond issue, but had not voiced its approval of the proposed city hall addition.

Frank V. Kington, attorney, addressed the post on "The Constitution and Its Privileges" in observance of Constitution Week starting Sept. 17.

The post voted to enter a basketball team in the Industrial League, and appointed A. J. Atkinson to take charge.

The annual Armistice Ball was set for Nov. 5 in Forester's Hall with Sterling Oakman as general chairman.

Twenty-five members indicated their intention of attending the state convention at Santa Monica and the national convention at Los Angeles.

Good Housekeeper But Not His Type

She was a good housekeeper and a good mother to their children—still she wasn't his type.

So Mrs. Muriel E. Dorbandt of San Mateo this week filed a divorce action in Redwood City against Fred Dorbandt. They were married in Reno, April 29, 1928, and came to the parting of the ways last Tuesday. There are two children: Barbara Anne, 9, and Margaret Elaine, 7.

In her complaint, Mrs. Dorbandt says her husband told her "to get a job and go to work; that he did not think she should stay home and take care of the children. In fact, she asserts, he wanted her to attend Fresno State College in order to secure a teacher's certificate. Further, her complaint asserts the defendant has told the plaintiff she is a good housekeeper, a good mother to the minor children, but said defendant has said he does not like women of this type."

The production of lemons, once an imported product, is increasing in the United States.

Flynn, Mengel Recover Body Of Floyd Hatley

The body of Floyd Hatley, 19, one of the three missing from the "Marauder" tragedy, was found early Monday by two Redwood City policemen, Henry Menzel and James Flynn, who started their early morning search at 5 a.m.

Two and a half hours later in the main channel under the San Mateo-Hayward Bridge they spied a body floating rapidly northward. They first sighted it 100 yards south of the bridge, and in less than 5 minutes it had been swept 500 feet north of the structure. They put a line on it and dragged it to the boat. Flynn said he believed they sighted another body ahead of Hatley's, but were unable to locate it after Hatley's body had been secured.

Brought to Redwood City, the body was identified as that of Hatley because of its unusual height. The youth, who lived on 107 Watkins Ave., in the unincorporated area between Menlo Park and Atherton, was described as being more than 6 feet 4 inches tall.

Downey Lists Cost Of Senate Campaign

Townsend Clubs throughout California contributed a total of $337.70 to the campaign of Sheridan Downey, of Atherton, winner of the Democratic senatorial nomination at the August primaries, according to the candidate's affidavit of contributions and expenses, filed in Redwood City today.

Two of the largest contributions made to Downey's campaign fund, which totalled $11,609.30, included donations from John B. Elliott, $1610, and L. C. Goodman, $1250. Downey's expenses amounted to $11,478.07, the affidavit stated.

Many New Addresses Listed at City Hall

New addresses on file at the city hall this week include F. Levensailor, 30 Oak; R. F. Gallagher, 182 Westgate; W. A. Connell, 456 Main; Mary Grace Shannon, 461 Harrison; W. E. Anderson, Ferndale Way; R. W. Walsh, 1829 Roosevelt; Gustav Trager, Hillcrest Dr.; Sam DiGiovanni, 570 Vera; Mrs. Ethel F. Ottenberg, 911 Fulton; E. H. Campbell, Hillsdale Way; R. L. Dormitory Planned For J. C. Students

Another dormitory for boys attending San Mateo Junior College will be opened at 15 Dwight Rd., Burlingame, as soon as details are completed, Mrs. J. R. Spann, of the Mothers Club of San Mateo Junior College, announced this week.

The dormitory already has been equipped with beds but bedding, kitchen utensils and other house furnishings are needed. The Mothers Club asked that anyone with such equipment to donate telephone Mrs. Spann, 139 Occidental Ave., Burlingame, or Mrs. C. S. Morris, 61 Hayward Ave., San Mateo.

The club has one dormitory now in operation on San Mateo Drive near the present junior college location.

Dansant To Honor Christobal Colon

The anniversary of the arrival of one Cristoforo Colombo, alias Christopher Columbus, alias Christobal Colon, at the Bahamas Island in 1492, will be observed by Redwood City—but not in sailor fashion.

The "port of the peninsula" will not greet the intrepid mariner as befits a seaport, with an imitation landing before imitation Indians on the shore, but with a dance at Forester's Hall, it was announced today.

Four organizations, the Italian-American Progressive Club, the Order of Owls, and Italian Catholic Federation of Redwood City, and the Family Club of Menlo Park, have united in sponsoring the event. Chairman of the committee is Frank A. DePatta.

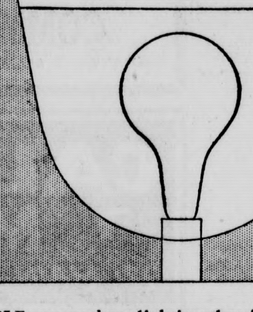
Better Light
HELPS KEEP EYES RIGHT!



PEOPLE say modern lighting that is "easy on the eyes" makes the eyes feel better . . . And they are right . . . Good lighting brings out the beauty of the home furnishings . . . It aids personal beauty, too.

Light that is glaring brightness or that is dim and gloomy makes hard work of seeing. It causes squints and frowns and scowls and brings on many premature wrinkles and face-lines.

Good, modern lighting merely means the right kind of light, and the right amount of light where you read or sew or use your eyes. And you can have it easily, quickly, inexpensively. A Home Lighting Recommendation chart made out for your home will fit lighting to serve the exact seeing-needs in your home. This is a free service and there is no obligation. Hundreds are taking advantage of this service. Why not you?

Workmen Remove County Flagpole

Since 1908 the property of San Mateo County, the towering flagpole that had stood in front of the historic county courthouse was just another big piece of wood for the time being—albeit very big—as Redwood City workmen made ready to refinish the pole preparatory to setting it up at the city hall.

The pole was taken down Monday, "like a big toothpick," spectators said, and was carried off to city hall property today. There being no need of haste in putting the pole up, City Manager Charles Dimmitt said, work will probably proceed leisurely.

P. J. Maloney Stable Destroyed by Fire

Fire which broke out about 1:30 a.m. Tuesday completely destroyed a stable on the P. J. Maloney property located on Lemon Ave. near Santa Cruz Ave., Menlo Park. The barn, a landmark in the countryside near the Menlo Park Cemetery, was enveloped in flames when the county fire service rushed a light truck to the assistance of equipment from the Menlo Park Fire District. The blaze lasted for more than one hour.

Southern Beauty Leads War Vets

Five floats from Mississippi which will lead the parade in the National American Legion convention in Los Angeles, to open next Tuesday, passed through Redwood City this week on the way to Paso Robles.

The entourage also included a maintenance truck and a pilot, with 14 persons in the party. Included was Miss Elaine Russell of Vicksburg, Miss., National Miss American Legion this year.

Fiesta Books Rodeo Clown

Jess Kell, world famous rodeo clown whose antics have rocked rodeo audiences with laughter in the United States and in China, Japan and India, will be a star attraction at the San Mateo County Fiesta rodeo to be held at Bay Meadows Sept. 23, 24 and 25.

Kell brings with him to the local fiesta rodeo his two trained mules, "Ring" and "Shafter," proclaimed the two smartest mules in the world.

Kell has spent 17 years touring with a wild west show which has made appearances in every important rodeo of the United States and foreign ports.

The rodeo clown's services were engaged by Rodeo Director Harry Rowell and Kell comes to San Mateo County's rodeo directly after a successful engagement at Ellensburg.

"Mr. Rowell has submitted to me a list of the performers who have been booked to take part in our rodeo," said Manager Chester Lipman today.

"It reads like a page out of the rodeo blue book. Names of the performers will be announced within in few days. Their following is so great that we anticipate drawing crowds from all over the state."

Fire Damages 2 M. P. Homes

MENLO PARK, Sept. 12—Three wooden structures on the Glenwood Ave. property of Alexander Beltramo in Atherton were destroyed by fire at noon today. The blaze threatened to spread to the Beltramo residence when sparks ignited the roofing, but Menlo Park firemen quenched the flames after minor damage was done.

Also damaged was the garage and adjacent home, owned by Beltramo and occupied by J. Jepson.

W. H. Sadler Wins Award in Contest

W. H. Sadler, 1712 El Camino Real, Redwood City, in recognition of his sales activity in the national merchandising project known as the "1938 Prize Parade," has been granted an award by the Association of Gas Appliance and Equipment Manufacturers, sponsors of the campaign promoting the sales of automatic gas water heaters.

Kearns Application Wins City Approval

Application by Jack Kearns, of the Kearns Bros. supply firm, to alter the facing of two lots on Harrison St. at Cleveland St. was approved by the city planning commission Monday, and will come before the city council for final approval at the next meeting.

The two lots involved do not face on a paved street, and Kearns asked that he be allowed to divide them into three lots facing on Cleveland St., which is paved. The meeting lasted only an hour.

Predicting practice of vacations with pay would soon become commonplace, Labor Secretary Frances Perkins said two-fifths of all workers in United States manufacturing plants now enjoy this concession.

Roman games played in the Colosseum included chariot races, military reviews and gymnastic contests.
